

# Ryan Mayhan

## PREVIOUS PAID WORK EXPERIENCE

### Hamilton College AV Department, Clinton, NY

August 2019 - present

Student Manager of the Hamilton AV crew, responsible for training new employees, making schedule adjustments, and working as an audiovisual technician providing services such as the setup and takedown of audio and video equipment, operating cameras, live sound mixing, and acting as technology support for classrooms and public events.

### Hamilton College History Department, Clinton, NY

August 2020 - present

Supporting classes as a teaching assistant for the Hamilton College History Department, specifically focused in Medieval and Renaissance Studies. Providing tech support to help with blended learning, assisting students with their assignments, holding office hours for feedback on projects, essays, and more. Also acting as a First Year Experience mentor to help first year students in the class adjust to college life.

### Baskin Robbins, Foster City, CA

June 2016 - June 2018

A senior employee working as a full crew member, preparing ice cream and drinks, cleaning and sanitizing the dining and work areas, restocking supplies, cake decorating, training new employees, and more.

## ADDITIONAL RELEVANT EXPERIENCE

- Have directed, shot, and edited several short films and other video work, including music videos.
- President of Hamilton College's Band Club, organizing live concert events and coordinating rehearsal spaces and equipment for on-campus bands.
